

Clutter Quiz

- ___ Do you use your spare bedroom as a junk-room?
- ___ Has the job of getting organized become so big now that you don't know where to start?
- ___ Is your living space so crowded it is impossible to find what you're looking for?
- ___ Are you convinced you were born without the ability to organize?
- ___ Are you embarrassed about all the clutter and avoid inviting company over?
- ___ Have you ever volunteered to help a cause but let others down by being disorganized?
- ___ Is your office or work area causing more stress than productivity due to all the clutter?
- ___ Are you unable to quickly and safely find things you need?
- ___ Have you bought lots of books on getting organized and now they are just part of the mess?
- ___ Are you affected by a lack of storage space in your home, garage, attic, and basement?
- ___ Are you paying for storage due to the lack of space at home due to clutter?
- ___ Do you begin projects but never complete them?
- ___ Do you end up paying late fees because you cannot find bills?
- ___ Are you stressed and angry by all the 'stuff' that needs done but don't see a solution in sight?
- ___ Do you have a beautiful home but the clutter is making it small and unwelcoming?
- ___ Is your partner/roommate constantly upset that your clutter is taking over their space?
- ___ Is there just never enough time in a day to get it all done?
- ___ Do you have papers in piles, boxes, or bags?
- ___ Is everyone in your house tripping on things or unable to find anything?

If you answered 'yes' to two or more of these questions, a Professional Organizer can certainly be of help. You do not have to live with your challenges alone!
